

I'm not robot

Continue

Bible Gateway offers a subscription service called Bible Gateway Plus with a library of reference books for more advanced study. They do offer subscriptions that remove ads. This digital version of the card game handles the shuffling and dealing of the cards for you. iPad and iPhone version looks similar, but are more compact for mobile screens. Finally, we'll name an overall best and a couple of runners-up. E. I'm not a huge fan of the user interface, but it's included in this list because they do have a great online Bible study website. Find links to each version at the bottom of their home page. The site's users will want to get the free app, so they can use Bible Hub on the go. Click To Tweet

The runners-up include e-Sword, which also runs on multiple platforms and has a great selection of books. This all works on their mobile apps and online. Book Builder (\$19.99) or Book Builder Pro (\$49.99) helps you make books for your own use. I like the audio Bible option so I can listen to the Scriptures, and versions include NIV, CSB, KJV and more. Sign up and check it out for yourself for free to decide if the price is right. They also offer versions for other platforms: If you use all three, you'll pay \$16.97. The eBible app has some modern translations, but not as many as others. The Bible study website and app have a subscription service that costs \$.99/week that lets you download any of their Bibles including a decent collection of modern translations, but again, not as many as the more complete options from other apps. PLATFORMS: iPhone, iPad, Android, Kindle Fire, Online #2 - Bible.IS When I wanted to listen to the Bible in the past, I used to pull out a sleeve with a dozen CDs of Max MacLean reading the Bible like a Shakespearean actor. That's a strange requirement since many other apps work in portrait mode, the more natural way to hold a phone. We purposely left out the very complex apps from other vendors. The app includes fewer modern translations than some of the other apps. LEFT: Highlight verses, share them and more. The reader view on the iPhone app will remove all the clutter and let you see just the basic text without distractions. While reading, you can create bookmarks for passages, highlight them, add notes, and share them with others using social networks or your phone, tablet or browser's sharing features. The app offers a split screen mode, but strangely requires the reader to rotate their phone to landscape mode or it won't turn on in the app. Now they offer apps for both the PC and Mac. The Kindle Fire app is in the Amazon App Store. However, users of the website should definitely look at Bible Gateway for mobile Bible reading and simple study. You get the following: Cultural Backgrounds Study Bible (NIV) Study Bible Notes (NIV) Quest Study Bible Notes (NIV) Mounce's Complete Expository Dictionary (advanced language study of Greek and Hebrew meanings) Zondervan Illustrated Bible Dictionary New International Dictionary of New Testament Theology The list above isn't exhaustive but shows some of the excellent resources available with a subscription. Find links to your chosen platform on their website. Share your favorite verses online, bookmark or highlight them, and record notes. The free app often gets free updates. Laridian offers an advanced feature set that will cost \$9.99/year for each platform or \$17.99/year if you buy the bundle that includes all the platforms. PLATFORMS: iPhone, iPad, Android, Kindle Fire, PC and Mac via Website Best Bible Study Apps Based On Use Which of these simple Bible study apps should you use? I created the video below as part of a review of the 6 best online Bible study sites for my personal website a few years ago. The toolbar across the bottom of the mobile phone app has everything you need. Easy to use, and full of a wealth of information, the Zondervan Compact Bible Dictionary will equip your study of the Bible. The dictionary features: Concise definitions of persons, places, objects, events, and concepts Over 6,000 entries Summaries of the books of the Bible Information about archaeological finds in the Holy Land Hundreds of illustrations Maps of the ancient world from the time of Abraham to the height of the Roman Empire (2000 B.C.-A.D. 117) Conservative scholarship that is comprehensive in scope Ideal usefulness for laypersons, students, teachers, and pastors Healing Water for the Soul by L. The programs that are downloaded on your computer are usually available to play on tablets and smartphones, too. Check the BlueLetter Bible site for a link to get the iPhone/iPad apps or their Android app. First, here's our list of apps based on platform type: MySword Bible - Android App Laridian PocketBible - iPhone, iPad and Mac Apps Kindle Fire App - Bible Gateway e-Sword - Windows PC App Bible Time - Linux App Bible Gateway - Online Browser App Now let's look at the best apps based on usage. Cowman Religious Freedom in a Secular Age by Michael F. If you don't want to subscribe, you can buy individual Bibles for as little as \$.99 (KJV, ASV) or as much as \$6.99 (ESV, NIRV). We've got recommendations based on your usage, and we'll name our first choice and a runner-up in each category. The BlueLetter Bible.org website includes some files in their Digital Books section. It also has a simple user interface and one of the best notes editors in the Bible study software marketplace, not just in this category of simple apps. That's a much better deal if you're going to use two or more platforms. Bird Fiona Goes to School by Richard Cowdrey, Donald Wu, Zondervan, Fiona's Train Ride by Richard Cowdrey, Donald Wu, Zondervan, Baptized in the Water by Glens Nellist, Anna Kazimi Bible Doctrine, Second Edition by Wayne A. PocketBible gets the overall nod because of the: Simple user interface Rock solid and speedy performance It syncs easily with multiple platforms Users can grow in their study and PocketBible will grow with them since they offer a nice library of basic and advanced books They offer nice packages which make it economical to get a decent library for not a ton of cash The award for the simplest and best Bible study app goes to Laridian PocketBible. You can download multiple translations and search the Bible. The books come from the site's owner, Harper Collins, who also owns Olive Tree Bible Software, although they don't give access to Olive Tree books you might own. However, not everyone wants more than a simple Bible reader that tracks your devotions and lets you share your favorite verses online. This game and other solitaire variations are easily played by all ages. Laridian has some free content, but you will need to pay for more advanced tools and modern translations or reference books. They own the website Bible.com where users can do most of what they enjoy in their app right on the web, including downloading modern translations as well as other languages. On a phone, more than two might be too much. PocketBible handles all the basics well like reading, searching, bookmarks, highlights, and notes. However, the app is worth it for people who want something simple enough for basic Bible reading, but also need a tool that can do a little more advanced Bible study with commentaries, dictionaries, advanced searching, and Greek and Hebrew tools. Get extra books from eStudySource.com or BibleSupport.com. You basically play against yourself, with the computer as the dealer. In addition to reading the Bible, users can add notes, bookmark verses, and highlight. The player aims to get rid of the cards in the quickest way with the fewest moves. I love that PocketBible lets the user display more than just two window panes and to customize the user interface better than most of the apps in this round-up. There's also a nice feature that grabs all your library info about a passage and presents it in an easy-to-find way to save you time. Subscriptions cost \$3.99/month or \$39.99/year. MORE FROM QUESTIONSANSWERED.NET If you want to do simple Bible study on the go or on your computer, we've got the top 10 best simple Bible study apps available today. A fact-and-image-filled guide to the arts, cultures, geography, geology, theologies, philosophies, and lifestyles of biblical times. All of the following work on a smartphone or tablet: Life.church Bible - Daily Bible Reading Bible.IS - Audio Bible Listening Laridian PocketBible - Advanced Bible Study Life.church Bible - Sharing to Social Networks Laridian PocketBible - Multi-platform Usage Finally, here's the overall best simple Bible study app with a pair of runners-up. This round-up of apps work on iPhone, iPad, Android, and in some cases the Kindle Fire. A timer keeps track of the time elapsed as you compete with yourself. FreeCell In this solitaire variation, the player uses four cells to move cards around the virtual board. Many of the following games are free to play and easy to use. The Classic Game The classic game of solitaire that used to be played with a deck of cards can now be downloaded for Windows 10 on your computer and accessed by email. Some of the best Sword Project apps for each platform include the following: Linux - Xiphos (also runs on Windows) BibleTime - Linux Eloquent - Mac Sword Project for Windows - Windows PocketSword - iPhone, iPad and iPod Touch MySword - Android SWORDWeb - Online While all of the above work nicely, the Android version of MySword is one of our favorites. Conveniently, users can access other parts of the Bible app from the dashboard too. On a large screen, you can have a bunch of them open at once. Here's the iOS app. Also, it's easy to keep friends accountable by tracking their daily reading while you share your progress with others. #10 - Sword Project Bible Apps There's an open source Bible study platform called the Sword Project and multiple apps support books of this format. Play continues with the remaining cards, and the goal of reaching 13 each time in order to continue. Eventually all the cards are cleared and the game ends. CENTER: Find predefined reading plans. RIGHT: Watch Bible-related videos. You can find mostly public domain books, but there are a few modern translations. In case you try out our favorite and don't like it. Check out 10 Best Bible Apps With Audio For Engaging With Scripture On The Go. What have we missed? Get Sword Project books from the Crosswire.org website. Laridian also has a book creation tool. But while using my 12.9-inch iPad Pro, I like to open up four windows and show a couple of translations and a commentary with a dictionary all at once. In addition to the Bible study site, there's also a Q&A section where users can post thoughts and answer other people's questions. The app's been updated since I created the video for a review I wrote, but this gives you a good idea of what it can do on Mac. Additionally, you can search for Bible verses by topic or text and it includes highlighting, copying to other apps, adding bookmarks, and notes too. A subscription also adds other study tools. Also, this removes the ads in the app and on the website. Then when the iPhone and iPad came out, they jumped on the bandwagon and made one of the best iOS apps before many others. PLATFORMS: iPhone, iPad, Android, Kindle Fire (not through their app store, but by side loading), PC and Mac apps. Sign in to sync with the website so you can access all of your reading plans, bookmarks, notes and highlights. First, let's get a brief look at the ten simple Bible study apps and then a recommendation of our favorites based on which operating system or device you use and on what you want to do with the app. The books are public domain works, so I can't recommend paying for the subscription, since you can get the same for free elsewhere. The Bible.IS app does more than reading you the Bible. PLATFORMS: iPhone, iPad, Android, Kindle Fire, Online #6 - eBible eBible marries a social network with Bible study, sort of like the Life.Church Bible app and website. That's pricey compared to the other apps, most of which come free. While the games are free, most have ads that pop up during play. Pyramid Pyramid is another free option. If you're daring enough and have the skill, you can create your own Sword Project files. It's improved over time. The subscription offers commentaries, dictionaries, and Strong's dictionaries for only \$24. The Dashboard is the main screen when you first launch the app and it shows a verse of the day, the audio Bible, and your reading plan links. PLATFORMS: iPhone, iPad, Online #7 - e-Sword One of the oldest and best tools for studying the Bible comes from e-Sword. Add your favorite Bible study app in the comment section below. It has a nice setup user-interface. Grudem, Alexander Grudem A Christian's Guide to Planet Earth by Betsy Painter, Muti, This Farm Is a Family by Dan McKernan, Denise Hughes Rembrandt Is in the Windy by Russ Ramsey, Makoto Fujimura Ten Little Fireflies by Deb Gruelle, Gabi Murphy Little One, We Knew You'd Come by Sally Lloyd-Jones, Eve Tharlet Attached to God by Krispin Mayfield, K.J. Ramsey Snuggle Time Easter Stories by Glens Nellist, Cee Biscoe The Tiny Truths Bible for Little Ones by Joanna Rivard, Tim Penner Case for Faith for Kids by Lee Strobel, Robert Suggs, Robert Elmer The Case for Faith Student Edition by Lee Strobel, Jane Vogel The Case for Heaven Young Reader's Edition by Lee Strobel The popular solitaire card game has been around for years, and can be downloaded and played on personal computers. It functions like a simple Bible study and reading app. #1 - Bible by Life.church Bible app from Life.church. Unfortunately, PocketBible doesn't come in the Amazon Kindle Fire app store, so you'll need to download the file to install it as a "side-loaded" app, which means you manually install it. Now I fire up the Bible.IS app and listen to the Bible reading inside the app. The video below shows how to do this or go to their help site to get instructions. This app is free but advertising supported, which knocks it down the lower end of the recommendation list. There is a social media feed to this app too since users can follow other Bible readers from within the app. They don't offer apps for Kindle Fire or Android. LIFE.CHURCH READING PLANS AND SOCIAL FEEL Life.church also includes a slew of Bible reading plans and users can share inspirational Bible verses online through social media in either text or as a visual meme. PLATFORMS: iPhone, iPad, Android, Kindle Fire, PC and Mac via Website #8 - Just1Word Bible Just1Word offers one of the most attractive of the Bible apps in this roundup. Some programs store the progress and scores for you to keep up with your plans. PLATFORMS: iPhone, iPad, Android, Kindle Fire, PC (both Windows Store and web) and Mac via Website #9 - Laridian PocketBible The most advanced of these apps come from Laridian, which helped pioneer mobile Bible study with apps for Palm and Pocket PC devices a long time ago. The most downloaded Bible on any device comes from Life.church. Looking for a companion app that offers an audio Bible? Pyramid is a fun and entertaining card game, and a great way to pass the time. Tripeaks In the game of Tripeaks, cards are selected in a sequence going up or down to accumulate points. You import your PDF files via iTunes, which can get complicated, but it's there for users to take advantage of. BEST OVERALL APP By a slight margin, we choose Laridian PocketBible as the best overall app in this category. B. This way, you can take your games with you when you're away from your computer. The mobile app is nicely laid out and easy to use. It is a simple Bible study app, which is the focus of this roundup. It's part of the Microsoft software collection, and is one of the free solitaire games for PCs. The game is played using eight columns of cards lined in a row on the computer screen. Blue Letter Bible integrates an eBook reader, something few of the other apps have. USER INTERFACE The app has a great user interface that's both simple and works well. If you need a powerful Bible study tool to do scholarly research or more advanced Bible study and sermon prep, then take a look at 5 Best Bible Study Programs on the Market Today. That's why we add the Life.church Bible app (also called YouVersion) as our second runner-up. PLATFORMS: iPhone, iPad, Android, Online #5 - Blue Letter Bible Blue Letter Bible also takes their online site and brings it to your mobile device with a simple Bible study app interface. It also adds a few languages study tools like an interlinear Bible with Greek and Hebrew texts displayed along with the English text. You can read multiple modern and older translations and it has Strong's dictionaries, topical Bibles for studying a topic like grace, and some public domain commentaries like Barnes Notes, Matthew Henry, and Clarke. It's boasts a simple UX, speedy performance, easy syncing with multiple platforms, and offers affordable packages. Renown across the world, Bible Gateway provides multiple modern and international language translations. The game uses two cards coupled together and adding up to 13 that are removed from the deck (like a six and a seven or an eight and a five). The app's really just a wrapper for their website, so you'll need an Internet connection to use it. PLATFORMS: iPhone, iPad, Android, Kindle Fire, Online 3 - Bible Gateway Bible Gateway is one of the best online sites for Bible study and also offers a useful app. Like the others, it lets users read the Bible in a few different translations. Bible Hub is free on all platforms including mobile apps and online. There's a free trial for 30 days. This feature costs extra. It's fun to watch Bible-related videos within the app, and your church can even use the website to create live worship service presentations that run inside the app. On some PCs this game is also called Klondike. SpiderSpider is a variation of the traditional solitaire. It's free on a PC, but users can add premium add-ons. Sync those with other platforms to keep them ready to use on your phone, tablet or computer. Above, the video shows off the e-Sword X user interface on the Mac. The app allows you to search the Bible, set up reading plans, and open other resources from the menu found by opening the menu button in the upper left corner. PLATFORMS: iPhone, iPad, Android, Kindle Fire, Online #4 - Bible Hub The Bible Hub app is a favorite for many users. A LIST FOR THE LAY PERSON This list is not focused on scholarly Bible study by professors, grad students or pastors, but rather on lay people. You can read, search, and highlight the Bible and e-Sword has a great notes editor on the Mac and PC that you can sync with the iPhone and iPad too. Many of them also offer Windows, macOS or Linux versions, and a few have online websites dedicated to studying the Bible. You can also listen to the Bible, take notes, highlight, and bookmark verses. There are numerous variations of solitaire that are usually played by one individual. They offer competitive prices on Bibles, commentaries, dictionaries, lexicons and more.
